### REPUBLICANS ATTENTION!

The following letter has been sent throughout the Territory by the Republican Central Committee: PHENIX, Ariz., June 9, 1890.

DEAR SIE:-The Republican Territorial Central Committee will convene in Phoenix. Saturday, June 21, 1890, at 3 o'clock p. m., for the transaction of such business as may come before it; your presence is earnestly requested for consultation. WM. CERISTY, Chairman.

### PARDON BROKERAGE.

Under the above heading the Gazette makes an attack on the Republican party and especially on W. C. Davis and "The present would-be Superintendent" of the Territorial Prison.

With Democratic defaulters from one end of the country to the other, not omitting even Arizona, it is strange beyond reasoning how sensible and honest men can uphold the Democratic party.

### INJURY TO THE VALLEY.

THE REPUBLICAN learns from the officials of the local railroad that during the first five months of the current year 2000 less people have gone back and forth in the Salt River Valley than during the corresponding period last year. There must be some reason for this lecrease, and slight investigation can account for very much of it.

An intending settler coming into the valley, if wise, will, before determining upon his course, investigate somewhat the character of the people with whom he is about persuaded to cast his lot. In so doing he will find here a newspaper which for more than two years has followed a resident of the community with persus without a fitting celebration.
